of Osceola**

**Will you
join us?**

Support Group Meeting

Mended Hearts for 50 years has been offering hope to patients with heart disease, families and caregivers.

Open to all heart patients, family members and care givers and is affiliated with the American Heart Association. We would like to offer you support if you have these conditions such as:

- | | |
|---------------------|----------------------------|
| Heart Attack | Pacemaker |
| Bypass Surgery | Electrophysiology |
| Heart Valve Surgery | Congenital Heart Defects |
| Angioplasty | Cardiac Catherization |
| Stents | Any Other Heart Conditions |
| Aneurysm | |

Mended Hearts is a patient sponsored support group, open to health care professional and any interested individuals.
